

To: All Wheelchair Rugby Participants

Date: 6 April 2009

Topic: Use of Spring Loaded Anti Tips.

Post the Beijing Paralympics the Technical Commission Equipment Committee was asked to review the decision it reached on the use of spring loaded anti tips for Wheelchair Rugby.

The Technical Commission Equipment Committee has confirmed that the use of spring loaded anti tips will be prohibited for use in all IWAS/IWRF sanctioned tournaments effective immediately.

Regards

Stan Battock
IWRF Technical Commissioner
